MEDIA KIT

Hey,

we are Orla + Ben!

Together we are the founders of Ticket 4 Two Please, an adventure travel blog for couples.

Our journey began in 2016 when we met while working at a summer camp for kids in New York. Having already had individual travel experience, we decided to take the plunge and hit the road together. We spent the next 5 years venturing to countless destinations around the globe and needless to say, we learned a few handy tips and tricks for navigating travel as a couple.

Fast-forward to 2021, and in search of a lockdown project, we decided to collate all of our expertise in one place - and so Ticket 4 Two Please was born! Featuring countless seasonal jobs and destination-specific resources, it has grown to become a reliable travel resource for couples looking to travel long-term on a sustainable budget.
